*Law & Order: Criminal Intent*

Credits include:

*Boss*  
*Rocky*  
*Into the Woods*

The *Theater of War: Soldiers & Citizens Tour* presents dramatic readings of Sophocles' *Ajax* – an ancient Greek tragedy about the suicide of a great, respected warrior – to diverse military and civilian audiences in order to engage communities in powerful town hall discussions about the visible and invisible wounds of war. The presentations are intended to foster understanding and compassion, while mobilizing citizens and resources to help improve the lives of service members, veterans, and their families and communities.
