CIS 690 - Grand Theft Democracy

3 Credit Hours

TU 4:05-5:20

You will join a multidisciplinary team composed of students from across Kansas State University to create the fictional country of Deomocristan and its unfolding presidential election. Your team will create and portray the colorful cast of politicians, business elites, religious leaders, journalists, and activists that take part in the national drama. The story will be told in a non-linear narrative composed of videos, articles, newscasts, podcasts, emails, polls, social media posts, and ultimately, election results.
