PREMISE OF SHORT:

During a Business Meeting, a 100k wager was proposed by the Ryan siblings that their personal boxer, Alex, could best Tucker, the boxer Lucas trains and manages. Lucas accepted, as he secretly knew Alex from his past and could easily convince him to throw the match, for a percentage of the winnings. However he has no money to put up, so Davis covers the wager, now that he is aware it's a guaranteed victory. Everything was going as expected, until Tucker, unaware that the match was rigged, started taunting Alex in a very personal manner...
